

# Here's to the 400+ action heroes who made us one of the 100 FGPCs

Thank you for not just sharing the  
vision, but for running with it.

They're faster than the  
competition. More  
powerful than a battalion  
of bankers. Able to leap  
tall loan-approval hurdles  
in a single bound. They're  
the onward-and-upward  
employees of Merit  
Financial who are  
redefining the lending  
industry, one delighted  
customer at a time.
